

LOL-ACC-0114

Model No	LOL-ACC-0114
Application	Accent
Name	Marine grade planter light
Description	<p>Small enough to fit where others won't, this compact low voltage accent fixture is constructed of die-cast, copper-free aluminum with a durable powder coat finish for strength and reliability. If a wider lamp beam angle is selected the LOL-ACC-0114 will provide a broader spread of light to highlight understory planting or to wash over feature walls.</p>
Power Input	12V AC, 24V DC
Lamp details	MR11
Power Usage	2.5W
Beam Angles	15, 36, 60, 120
Colour Temperature	2700k, 3000k
Lumen	Varies with lamp
CRI	80+
Dimming System	
IP	
Finish	Black/ Bronze/ Textured Natural Green/ Textured Rust
Mounting	Adjustable knuckle may be mounted into threaded hubs in junction boxes, ground stakes, tree-mount boxes, or mounting canopies.
Dimensions	43Ø x 123L
Product Notes	

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
