Power Input	12V AC
Lamp details	LED Module MT-G2 High Density Array
Power Usage	9.5W, 13W
Beam Angles	16, 32, 60
Colour Temperature	3000k
Lumen	tba
CRI	90+
Dimming System	
IP	IP65
Finish	Black, Bronze Powdercoat on copper Free Aluminium, and other colours on request
Mounting	Fixture may be mounted into threaded hubs in junction boxes, ground spikes or on tree-strap plates
Dimensions	76Ø x 187L
Product Notes	

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
