

LOL-BES-0492

Model No *LOL-BES-0492*

Application *Bespoke*

Name *Fitzroy Wall Lantern*

Description

When tiny house architecture meets style, the Australian designed Fitzroy has a role to play in bringing presence and warmth to micro walkways, vestibles and entrances. This lantern will work well in pavillions and cabanas. The base and top can either be glass panelled, or closed to suit your requirements. A mirror back panel is standard unless the base material backing is requested. For other sizes please refer to LOL-BES-0095, LOL-BES-0490 & LOL-BES-0491.

Product Notes

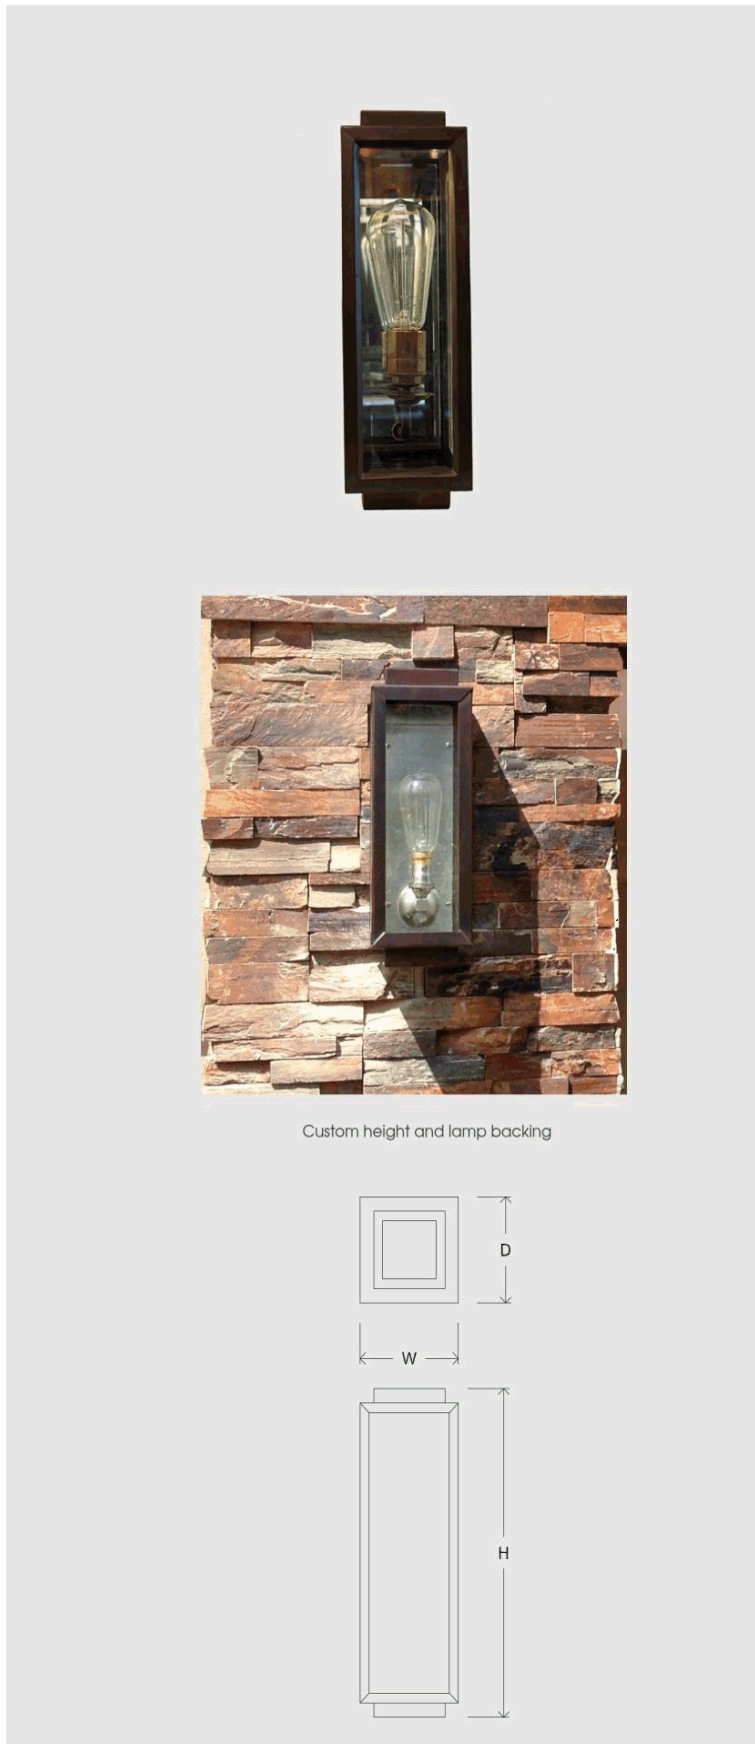

Please note lamp manufacturer's specifications. Clear bevelled glass standard, other options are available. The height is customisable. As this product is handmade all measurements can vary. Please call to discuss

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
