Colour Temperature	2700k, 3000k
Lumen	Mini:2700k-395lm 3000k-420lm, 180:2700k-790lm 3000k-840lm
CRI	90+
Dimming System	Available - please call
IP	IP44
Finish	Black, White, Dark Brushed Bronze, Champagne Powdercoat Aluminium
Mounting	Ceiling mount on level surface
Dimensions	Mini: 82L x 85D x 40W, 180: 180L x 85D x 40W

Product Notes

Available in longer configurations (8 dot groupings and track grooves) up to 3000mm. Please call for more information.

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
