Beam Angles	10, 25, 40, Asymmetric
Colour Temperature	3000k
Lumen	300 lm, 550 lm
CRI	90+
Dimming System	DALI - Dimmable
IP	IP67
Finish	Black, Bronze Aluminium - Copper Free
Mounting	Recessed 50-55mm cutout. Ensure adequate drainage around light.
Dimensions	72Ø x 65D x 87H
Product Notes	Other colours available on request. Multisource driver. DALI dimmable.

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
