Description	The LOL-LIN-1318 is a versatile indoor or outdoor linear LED. The small size, wide range of colour temperatures and lumen outputs etc make this linear the perfect choice for many applications.
Power Input	24V DC
Lamp details	LED x 120 per metre
Power Usage	5W, 10W
Beam Angles	120
Colour Temperature	2700k, 3000k, 4000k
Lumen	154-360 lm
CRI	tbc
Dimming System	
IP	
Finish	Silicone
Mounting	Surface mount on uniformly even surface*
Dimensions	Single Input: 6W x 12H x 10000L, Double Input: 6W x 12H x 20000L
Product Notes	<p>*Cut interval = 50mm</p> <p>** Minimum bend radius = 100mm</p> <p>*** Power can be run from either one or both ends.</p>

General Notes

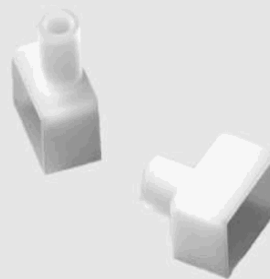

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
