Beam Angles	Diffused
Colour Temperature	2800k
Lumen	192lm, 300lm
CRI	80+
Dimming System	
IP	
Finish	Polyester powdercoat in various colours
Mounting	Surface mounting plate included - no recessed box required.
Dimensions	83Ø x 48D
Product Notes	

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
