

LOL-PAT-0425

Model No	LOL-PAT-0425
Application	Path or Step
Name	Ground Wash Strip Light
Description	<i>The LOL-PAT-0425 forms a discrete path edging by day and at night creates an elegant wash of light across the surface of the path which makes travel on the path both pleasing and safer. The robust profile is strong enough to be stepped on and reduces glare at eye level.</i>
Power Input	24V DC, 240V
Lamp details	LED Module
Power Usage	14.4W
Beam Angles	Diffuse
Colour Temperature	3000k
Lumen	900
CRI	80+
Dimming System	
IP	
Finish	Corten - Type 1, 316 Stainless Steel - Type 2
Mounting	Surface Mount
Dimensions	Type 1: 63H x 70W x 1016L, Type 2: 59H x 70W x 1010L
Product Notes	Can be joined to together with optional fittings to form a continuous strip on a long path. Inward and outward facing corner pieces are available.

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
