Power Usage	5W
Beam Angles	Diffuse
Colour Temperature	2700k, 3000k
Lumen	800 lm
CRI	85+
Dimming System	
IP	
Finish	Black Powdercoated Aluminium
Mounting	Spike Mount
Dimensions	38W x 508H x 158L
Product Notes	Spike included.

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
