

LOL-PAT-1037

Model No	LOL-PAT-1037
Application	Path or Step
Name	Organic Bronze Step Light
Description	
<p>The LOL-PAT-1037 is designed for mounting on gardens walls and other landscape features. The organic shape of the uminiere blends unobtrusively with many natural materials such as rock or unpainted timbers. A space in the wall behind the luminaire is not required for cable connection due to the design which includes a cable joint cavity. It perfectly suits low glare lighting requirements in natural sttings.</p>

IP68 Joining Kit	YES

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
