Beam Angles	varies with lamp 15 - 120 degrees
Colour Temperature	2700k, 3000k
Lumen	varies with lamp
CRI	80+
Dimming System	please call to discuss
IP	
Finish	Antique Brass
Mounting	Spike mount
Dimensions	95L x 66Ø x 447H
Product Notes	

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
