

LOL-PAT-1234

Model No	LOL-PAT-1234
Application	Path or Step
Name	Low Profile Surface Mount
Description	<p>The LOL-PAT-1234 is a low profile light with low glare. It is suitable wherever dark sky requirements are in place. It is useful where smaller recessed lights are being replaced as it can be installed over the top of the existing cabling hole. The low glare output is a helpful safety feature in longer stair runs or steep pathways that climb more than 1.5 metres.</p>
Power Input	12V AC
Lamp details	LED Module
Power Usage	1.5W
Beam Angles	Diffuse
Colour Temperature	2700k
Lumen	110 lm
CRI	85+
Dimming System	
IP	IP65
Finish	Black Ceramic on Machined Aluminium
Mounting	Surface mount following manufacturer's directions. Use anchors or screws to suit wall construction type.
Dimensions	210W x 76H x 22D
Product Notes	

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
