Colour Temperature	3000k
Lumen	600lm
CRI	90+
Dimming System	
IP	
Finish	Stainless Steel, Copper, Powdercoat Aluminium
Mounting	Surface mount with back plate
Dimensions	100L x 78Ø x 90H
Product Notes	

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
