

LOL-WET-0109

Model No	LOL-WET-0109
Application	Wet Areas
Name	Composite Pond Light
Description	<i>The LOL-UND-0109 is a ruggedly designed underwater fixture manufactured from injection-molded, fiber-reinforced composite for strength and high UV stability. The body is warranted for ten years against corrosion. A prismatic, high impact, polycarbonate lens safeguards the lamp and optics. Included is a removable reflector to eliminate vertical light and ensure a wider horizontal spread.</i>
Power Input	12V
Lamp details	LED Module, Bi- Pin
Power Usage	5W
Beam Angles	360
Colour Temperature	Warm white
Lumen	tba
CRI	tba
Dimming System	
IP	Underwater rating
Finish	Composite Black
Mounting	Underwater, utilizing internally weighted base
Dimensions	122Ø x 143L x 79H
Product Notes	NOT for use in swimming pools

General Notes

Please contact Light on Landscape to confirm the availability and current specifications of this luminaire.

Installation

Light on Landscape strongly recommend that all luminaires be correctly installed and maintained. Failure to do so will result in the voiding of the manufacturer's warranty and the reduced efficiency, performance and life of the fixture. To eliminate voltage drop, we advise that the recommended UV stabilized cable and run lengths are used, along with soldered joins, heat shrink connectors and quality lamps.
